

Investment Analyst at Maj Invest Minorities

Launched in 2021, Maj Invest Minorities is a specialized Private Equity & Venture Capital investor within the Maj Invest Group. We focus on global minority investments in life sciences & technology companies driving positive impact. Our portfolio features 14 exciting companies tackling issues all the way from cutting-edge depression treatment to the green transition.

What You Will Do

- Conduct in-depth research into the life sciences and technology sectors to understand market trends.
- Participate in meetings with co-investors as well as portfolio and pipeline companies.
- Examine new potential investments, including analyzing financial statements, business models, market positions, and perform valuations.
- Prepare quarterly updates on developments and performance across portfolio companies to limited partners.
- Build investment presentations and write investment memos, recommending investments in new or existing portfolio companies to the investment committee.
- Work with portfolio companies to identify and analyze strategic areas of interest.

What Sets This Role Apart

- **Broad exposure:** Gain experience across various investments (minority VC, PE and fund investments). Partner with innovative companies across their growth journey
- **New team:** Opportunity to be a part of our newly established team with a high emphasis on continuous learning, flat hierarchy, and collaboration. You will be an integrated part of the team and take part in forming our culture.

- **Long-term perspective:** We are looking for a new team member who can grow professionally and personally with us, aiming for a long-term fit.
- **ESG impact:** Invest in companies that dramatically improve people's lives and ensure a healthier planet. From developing life-saving treatments to pioneering clean energy solutions, our portfolio is at the forefront of positive change.

Who We Are Looking For

- A bachelor's or master's degree in business, finance, economics, or a related field with a strong academic record (students of a scientific background are also welcome to apply).
- Experience in consulting, investment banking, private equity, or venture capital is a bonus.
- A team player with a positive attitude and an interest in investing and long-term value creation.
- Financial modeling skills and the ability to translate complex data into actionable insights.
- Good grammatical, written, and verbal communication skills.
- Experience building PowerPoint presentations and Excel models.
- A curious mind with a desire to learn about innovative technologies, markets, and business models.

How To Apply

Submit your resume, transcript, and cover letter to job@majinvest.com, highlighting your career goals, interest in our investment sectors, and analytical skillset. **Deadline May 1st 2024.** If you have any questions, please do not hesitate to send them to Robert Høgh at roh@majinvest.com.

The Maj Invest Group was established in May 2005. We are an informal organization with approximately 110 employees. Our main business areas are asset management and private equity for institutional and professional clients. Through Maj Bank, we advise private clients on investing and pensions. Maj Invest also serves as an advisor for the mutual fund *Investeringsforeningen Maj Invest*, which also offers investment products to private investors.
